FROM THE DESK OF PRESIDENT –

**PRESIDENT
AMAR SINGH**

I am very pleased with the current 2020-2021 Annual Report.

NGO and we are very happy to report that the children of our Foundation have improved tremendously.

We have worked in the areas of agriculture, arts and culture, children, civic issues, education and literacy, food processing, health and family welfare, nutrition, vocational training, skill development.

We gave good education to the children and instilled confidence in them, there are many children who are not educated, they consider themselves different from the society, we taught them free of cost and gave them everything they needed like study pen, pencil, Eraser Shopper etc.

Together we gave them free protein food so that they remain healthy. A disease like Covid-19 came due to which many people came on the road, our NGO gave them food, clothes and a house to live.

They should not feel that they are lacking in anything and we also take great pleasure in doing this work.

THE POOR WERE HELPED BY GIVING RATION IN CORONA

As the country recovers, it seems we are lagging behind, where hunger still remains an urgency, even if not a pandemic.

People have been suffering for almost 1 months now, and very soon, we will reach the point of hunger crisis; They will die of hunger before the virus is caught.

Ambedkaar samaj kalyan sabha is an initiative which is feeding the poor and unemployed who are struggling to feed themselves during the lockdown.

We have managed to distribute more and more food to the needy since the first lockdown through cooked meals and ration kits.

Since the first lockdown, we have been helping people in most areas in karnal.

These areas are home to migrants, daily wage workers, rickshaw pullers, rag pickers etc – who were unemployed and struggling to afford basic food.

We have expanded our efforts whenever the need arose and the need was at its peak.

Our NGO members came forward and pledged to help all those people who were suffering badly and lost their livelihood.

To ensure that food is not wasted, Feeding From Far is distributing ration kits that last a whole week to a family of 5. The ration kit consists of:

- 1) Rice 7 kg
- 2) Wheat 7 kg
- 3) Chana dal 1.5 kg
- 4) sugar 1 kg
- 5) oil 1 liter.
- 6) salt 1 kg
- 7) Turmeric powder 150 grams.
- 8) Red chili powder 150 grams

FORMER PRESIDENT DR. K.R. NARAYANAN REMEMBERED TO

FORMER PRESIDENT DR. K. R. MEMBERS OF THE ASSEMBLY OFFERING FLOWERS TO NARAYANAN'S PORTRAIT.

Narayanan is regarded as an independent and outspoken President who set many precedents and widened the scope of India's highest constitutional office.

He described himself as an "executive president" who worked "within the four corners of the Constitution"; Something in between an "executive chairman" who has direct power and a "rubber-stamp chairman" who supports government decisions without question or deliberation.

He exercised his discretionary powers as president and deviated from tradition and precedent in a number of situations, including - but not limited to - the appointment of a prime minister in a hung parliament, the dismissal of a state government and Union Cabinet on the suggestion of imposition of President's rule and during Kargil conflict.
