# FROM THE DESK OF PRESIDENT

I am very pleased with the current 2021-2022 Annual Report. It has been several years since we started the foundation of our NGO in 2018 and we are very happy to report that the children of our foundation have improved tremendously.

Agriculture, Children, Civic Issues, Education and Literacy, Food Processing We have worked in skill development areas.

We gave good education to the children and instilled confidence in them, there are many children who are not educated, they consider themselves different from the society, We taught them free of cost and gave them everything they needed like study pen, pencil, Eraser Shopper etc.

Together we gave them free protein food so that they stay healthy. A disease like covid-19 came due to which many people came on the road, our NGO gave them food, clothes and a house to live. They should not feel that they are lacking in anything and we too enjoy doing this work.

# ABOUT US

**Dear Friends & Well Wishes of. Year 2022 have been a great year of Ambedkar Samaj Kalyan Sabha. # Sectors working in

- 1. WOMEN'S AWARENESS PROGRAM**
- 2. REHABILITATION PROGRAM**
- 3. SKILL DEVELOPMENT PROGRAM**
- 4. DR BHIMRAO AMBEDKAR JAYANTI**

# women's awareness program

**Women's safety awareness program was done by our organization in which we made women's safety to be safe and if she comes in any such situation, then make them aware about how she can fight him at that time, to share them that women do not work. Yes, women can also fight. And along with this, we had also given information related to the health of women so that they should not do any carelessness about their health.**

**Women safety in India is widely discussed everywhere nowadays. It has become a big issue now. The crime rate is at its peak. Women are neither safe outside nor at home. Women travelers coming from other countries are also in a state of doubt just thinking about coming to India. However, this fear cannot keep them away from any kind of social activity. There are laws but there should be proper safeguards which we have to follow strictly so that women can be saved from violence. To make them aware about the violence happening with women, to make them understand that they do not have to tolerate any kind of violence silently. They have to raise their voice against any kind of violence and to face it, we did this program to promote the safety of women in India.**

# REHABILITATION PROGRAM

**Our organization had done drug de-addiction awareness program in Haryana .**

**In which we have told people not to get intoxicated, what are the disadvantages of intoxication, how do we protect our children from drugs? We gathered people and did a program to tell people many ways to quit intoxication, so that they can quit intoxication and also tell those around them that intoxication is not right for our health. Knowing that intoxication is harmful to our health, we consume intoxicants, it is very harmful for us and our family.**

**Annual Action Plan (2021-22) for 272 Most Affected Districts' was e-launched by Shri Rattan Lal Kataria, Minister of State for Social Justice and Empowerment on the occasion of "International Day Against Drug Abuse and Illicit Trafficking" here today. .Secretary, M/o SJ&E Shri R. Subramaniam and Joint Sec retary Ms. Radhika Chakravarty were present. Representatives from State governments and NGOs also participated.**

# Skill Development Program

**Skill Development** This year this program of self-employment training was organized by our society in Haryana.

The campaign especially called upon women living below the poverty line to follow in his footsteps.

Poor women and girls were trained in a very meaningful way by experts in sewing and cutting skills.

So that they can get the benefit of this scheme. Society providing cheap fees was out of reach especially for the poor villagers.

Hundreds of women and girls received training in these skills so that they could gain cutting and sewing experience and live their lives with dignity and respect. This program was appreciated by the villagers as well as the administration.

# DR BHIMRAO AMBEDKAR JAYANTI

**On 14 April 2022, the birth anniversary of Dr. Bhimrao Ambedkar was celebrated in our institution.**

**In which we celebrated the birth of Babasaheb Ambedkar, in which we had done a program in which we told people about the struggle of their life and kept refreshments for small children.**

**We did a painting competition for children in this and prize was given to the child who made good pictures and we also celebrated a small felicitation ceremony.**
